*Information for Stewards wishing to attend the FEI Jumper Stewards clinic.*

This clinic will serve as an educational update and an opportunity to identify qualified national Stewards wishing to be considered for FEI status. From this clinic we are hoping to nominate several candidates as FEI Jumping Stewards.

Attendance at this clinic does not ensure FEI status. Names will go forward to the National Federations for approval before the National Federations forward any FEI Jump Stewards names.

FEI has final approval of names put forward.
